SUPERVISORS HOLD SPECIAL MEETING

BIDS WILL BE RECEIVED FOR GRADING FROM TUNITAS TO SAN GREGORIO.

Belmont Road Also Slated For Early Improvement—New List of Hospital Drugs Submitted.

The Board of Supervisors met in adjourned session Monday, January 12th, there being present wm. H. Brown presiding. Jas. T. Casey, John McBain, Jos. M. Francis. Absent, D. E. Blackburn.

Frank K. Towne, representing the California Novelty and Investment Company, objected to the price of $1650 fixed by the surveyor for 8.28 acres to be used for the right of way for the county road through the company's tract near Tunitas in the Fourth road district. He considered the land worth $3050. Of this amount $750 would have to be expended in grading the old right of way to make it suitable for farming.

Francis stated that his recollection of the matter was that Mr. Bartley of the company had promised a right of way without cost to the county. In any event he considered the amount fixed by the surveyor to be very liberal and he was not in favor of increasing it. He thought it would be proper to appoint a board of viewers to determine the amount that should be paid for the land.

The matter was laid over until afternoon to give Mr. Towne an opportunity to confer with his associates.

A revised list of the drugs needed for the county hospital during the coming year was presented by Walter Knight, P. A. Ryan and Dr. Wood C. Baker, the committee appointed for the purpose by the chairman at the last meeting.

The list was adopted on motion of MacBain, seconded by Casey, and the clerk was directed to publish a notice calling for bids for the same, the bids to be examined by the committee before being acted upon by the board.

Surveyor J. V. Neuman presented plans and specifications for grading, fencing and constructing culverts on the county road from Tunitas to San Gregorio, a distance of 25,496 feet, the estimated cost of which is $41,727.90 On motion of MacBain, seconded by Casey, the fence plans were changed to provide for placing posts sixteen feet apart and using four lines of wire.

With this exception the plans were adopted as presented, on motion of MacBain, seconded by Francis, and the clerk directed to publish the usual notice calling for bids for the work.

Adjourned for the noon recess.

Afternoon Session.

The board reconvened at 1:30, all of the members being present except Blackburn.

Surveyor Neuman presented plans and specifications for grading 12,250 feet, a new section of the road leading from Belmont to the Spring Valley lake, the estimate cost of which is $6043.80.

The plans were adopted on motion of MacBain, seconded by Francis.

On motion of MacBain, seconded by Casey, the surveyor was directed to prepare plans and specifications for paving all of this road excepting the new portion.

On motion of MacBain, seconded by Francis, the Surveyor was directed to prepare plans and specifications for grading the La Honda road through the Folger place and on to the Third township line.

On motion of MacBain, seconded by Brown, the surveyor was directed to examine a bridge near the Finkler place and report on its condition.

MacBain asked that the surveyor be directed to prepare plans and specifications for a new bridge crossing the creek between the Third and Fifth townships, to replace one recently washed away and the order was made on motion of Francis, seconded by Casey.

MacBain reported that he had examined the bridge recently constructed across the Coyote creek in the Fifth township and found it to be well constructed. On his motion, seconded by Francis, the bridge was accepted.

MacBain reported that he had also examined the second bridge on School street near Colma which was likewise in good condition. On his motion, seconded by Casey, the bridge was accepted.

On motion of Francis, seconded by MacBain, the supervisor of the Fourth district was authorized to install six corrugated culverts in his district.

On motion of Casey, seconded by MacBain, the surveyor was directed to prepare alternate plans and specifications providing for Warrenite pavement for the road from Uncle Tom's Cabin through South San Francisco. The present specifications call for a concrete base with an asphaltum wearing surface.

J. J. Gomes of the Halfmoon Bay Light and Power Company submitted the following bid for supplying electric current to the Montara lighting district:

"For 101 60-watt Tungsten lamps to be used seven hours for a period of six months during the winter months and three hours during the six months of summer until otherwise changed, but the number of hours service shall not exceed 1825 hours in 365 days, the rate to be 9 cents per kilowatt hour or a flat rate of $86.16 per month for the first year. For the unexpired aterm of the contract the rate shall be 9 cents per kilowatt hour, or a flat rate of $76.66 per month for the same time, unless changed as above provided. When the all night service is maintained, then the rate will be the same as provided in the contract of the Halfmoon Bay Lighting District"

Francis stated that the bid was satisfactory and it was accepted on his motion, seconded by Casey.

F. K. Towne stated that he had conferred with his associates and there was no willingness on their part to accept a lower sum than $3050 for the right of way for the county road through their property in the Fourth road district.

On motion of MacBain, seconded by Francis, the Surveyor was directed to prepare a petition for the appointment of viewers to report on the value of the land.

Adjourned to January 19th.

HOTEL STOCKHOLDERS MEET, RECEIVE EXCELLENT REPORT

The annual meeting of Redwood City Hotel Company, owners of the Hotel Sequoia was held Thursday evening last at the hotel building. There was a large representation of stockholders.

Manager Fromm gave a detailed report of every department of the hotel since its opening in June, and the results were more than was anticipated. The conditions are so encouraging that additional service to the public was suggested and will doubtless be installed.

O. N. Moxey, of San Francisco, one of the directors, resigned, it being impossible for him to devote the necessary time to the affairs of the hotel. Guy P. Hull was elected in his stead. The directorate is now as follows:

L. P. Behrens, president.
A. J. Fromm, vice president and manager.
Lee T. Ross, treasurer.
Chas. G. Landscheit, secretary.
W. H. Hanson.
Guy P. Hull.
Henry D. McGarvey.

Machine Kicks, Arm Broken.

E. W. Florence, the popular district manager for the Pacific Gas and Electric Company in San Mateo county, is confined to his home in San Mateo with a compound fracture of the right arm. While cranking his automobile in front of his home on Highland avenue Sunday morning, the machine "kicked," the crank striking his arm and

COUNTY PIONEER SOCIETY PASSES OUT OF EXISTENCE

The San Mateo County Pioneers, an organization composed of residents of the county who came here before 1856, have turned over their charter, banner and all of their historic paraphernalia to the local parlor of Native Sons.

The Pioneers organized in this city years ago and had a large membership for many decades. But gradually they passed away until now there are only three members living—Thomas Durham, Charles Jacobus and William Laswell.

Recently the surviving members decided to place their belongings where their historic value would be appreciated. With this object in view, the Pioneers turned over all property of the organization to County Assessor C. D. Hayward, who carried out their wish and presented the relics to the Redwood City Native Sons.

BOY MAIMED THROUGH SHOTGUN ACCIDENT

Harold Stephens, the son of Mrs. Edward Stephens of this city, was terribly injured Saturday, when he lost three fingers by the accidental discharge of a gun he was carrying. With George Kerr he was hunting along the dyke near the salt works, and as he climbed along a wooden bulkhead the gun slipped and striking against the wood was discharged into his hand.

Young Kerr ran to the salt works and informed Superintendent Foster who took the injured boy in his launch and brought him to town where he was attended by Drs. Ross and Chapin. It was found that amputation was necessary for the second, third and fourth fingers, the second finger at the second joint and the others at the first or inside joint. Sunday, Harold was taken to the Children's Hospital in San Francisco. No serious results are feared unless blood poisoning should set in.

The accident to young Stevens is a very distressing one on account of the boy's age, 15 years, and the fact that his father died a few months ago, leaving a widow and four children. Harold is a very clever lad and, through the courtesy of Senator Flint, was a page in the State Senate during its last session.

Thomas Durham, a resident of this county for sixty years, has gone to Mountain View where he will hereafter reside. Mr. Durham lived at Lobitos for 23 years and is one of the few remaining members of the San Mateo County Pioneers' Association.

CITY OFFICIAL PAPER

SHORTRIDGE FOR U. S. SENATOR

Hon. Samuel M. Shortridge, the Republican candidate for United States Senator, is receiving encouragement from every section of the State and wherever he goes he is received with enthusiasm the like of which was never accorded a candidate for that office in this State. Republicans who voted with the Progressives at the last election are coming back to the Republican fold in great numbers, as is demonstrated by the big registration of voters of that faith throughout the State. No doubt the Republican party will be in the majority this year and this means the election of Mr. Shortridge.

The Stockton Optimist in a recent issue publishes the following leading editorial concerning the candidacy of Mr. Shortridge:

"The Optimist is authorized to announce that Samuel M. Shortridge, the prominent attorney and old-line Republican of San Francisco, is positively a candidate for United States Senator. This certainly pleases the real Republicans of San Joaquin county as well as the entire state. For many years Mr. Shortridge has been a staunch Republican and has always contributed his services as an orator and worker for the party. When called upon to stump California or any other state he has always responded and done good work. His clear, logical and convincing manner of presenting the issues each campaign has been of great benefit to the party and invariably resulted in the turning of many votes.

Now that he has decided to enter the contest for United States Senator he is entitled to every consideration from the Republican party. In San Joaquin county and Stockton he is well and favorably known, having been a frequent visitor during campaigns, as well as in a social way. He has also participated in numerous festivals and carnivals in the role or orator.

In 1884, almost thirty years ago, he first addressed an audience in Stockton on Hunter square, which he has often declared he would never forget, owing to the beautiful night, the enthusiasm of the audience and other incidents of the meeting.

Mr. Shortridge proposes making a most active campaign for the office to which he aspires, and his tour of the state is sure to attract much attention. His extensive experience in campaigning and politics will stand him in good hand at all times."

HIRAM HAS SHIED HIS LID.

Governor Jahnson's hat is in the ring. He is in the fight for another gubernatorial term. Will he be elected?

It is early in the fight and long-distance predictions are not altogether wise. Between now and the vote-casting time so many things can happen to change the topography of the political landscape that what now seems impossible might become an entity.

But suppose we look at things as they are now and endeavor to determine whether Hiram has enough gas in his tank to last him up a short hill.

Johnson was elected governor by an immense majority at a time when the people were heartily tired of boss rule. They wanted a change and they flocked over to the Progressive or Bull Moose party with the alacrity of a band of thirsty cattle hunting for water. Hiram and his creed—anti-boss, anti-railroad rule, economy, etc.—caught the votes.

It wasn't so very long when it became evident that Johnson had built up a more powerful and brazen machine than the Herrin people ever dreamed of or dared hope for. The victors took the spoils wherever they could lay their hands upon them. Nothing was too little or too big or too hot for them to grab. They tried to give every Bull Mooser in the state a job, and they have pretty nearly succeeded. They made jobs for the faithful by forming commissions for this and for that, and nobody was left out if he could help Hiram. The promised non-partisan rule never saw the light of day. Any man who wasn't a hand-sewed, blow-in-the-bottle Johnson man stood as much chance as a dill pickle at a Dutch picnic.

The promised reign of economy proved a riot of extravagance. In short, the people haven't received what they expected; or, if they have, you can't make 'em believe it.

Hiram and his administration is in bad with the rank and file of the voters, and votes count.

If you have any doubt as to the felling against the Johnson administration, take a look at the registrations; they are flocking back into the old Republican corral like hungry sheep.

Between now and election time the Hiramites will be as busy explaining things as little Johnny who was caught with the blackberry jam all over the front of his face. And everybody knows that if you are right you don't have to explain, and if you are wrong, you can't.

MAYOR MOTT EXPLAINS POSITION

Mayor Frank K. Mott of Oakland, generally regarded as a certainty as a Progressive Party leader in the coming campaign, has upset all calculations and complicated the political situation in the Bay regions by registering as a Republican.

Four years ago, when the progresive arm of the Republican Party nominated Johnson, Mott immediately became a Progressive Republican and has been a staunch supporter of the Governor ever since. As a result of his registration as Republican, speculation is rife as to whether others aligned with him who were Progressive Pepublican leaders four years ago will join the Progressive Party ranks, or follow Mott's lead and line up with the progressive forces in the Republican party.

In explaining his registration, Mott said:

"While I do not consider the question as to my political status to be one of special public interest, I am constrained to make a statement because of the inquiry which has been made by representatives of the press.

"I have registered as a Republican for the prime reason that all my life I have been a Republican and there is not sufficient cause, in my judgment, for me to change my party affiliations at this time. No political party or organization which has done so much for the human race, for personal liberty, for the advancement of civil government, as the Republican party has accomplished, can be obliterated.

"I am not ready to believe that the Republican party has not a great future. I am not ready to concede that the millions of Republicans in the United States are ready to abandon it. I do believe that the Republican party is not only able to perpetuate itself, but can take care of its internal disturbances within itself, and I do believe that there is the place for the party to do constructive work.

"To the Republican party today in California belongs the entire credit for the things accomplished by the present State administration, and to no other party. I emphasize this statement because I have been a supporter of Governor Johnson in his campaigns. Governor Johnson made his campaign for nomination at a state primary of the Republican party. He was nominated and elected as a Republican and that party rightfully holds in our State clear title to the work which has been accomplished under Governor Johnson's regime.

"Therefore I find in our State record no reason why I should not continue to serve under the Republican party's banner. On the contrary, there is every season in good conscience why I should maintain my own allegiance to that party and help in so far as I may be able to assist in upholding and sustaining the achievements of my party here and in our national life.

"And for these reasons I have again subscribed as a Republican."

Correspondence.

The Palo Alto Times in its issue of January 15 contains the following article which is excepted to by a local Irishman who makes the subjoined reply:

GOD BLESS THE IRISH.

We notice from an article in another column that there is to be a grand gathering in San Jose of the Sons of the Shamrock and Knights of the Shillelah to warm the cockles of the Democratic heart. Notice the good old names of O'Farrel, Fitzgerald, Hogan, Regan, Ryland, McGraw, Shannon, Dougherty, Cullen, Kelly, Sheehy, O'Brien, Darneal, O'Gorman, Holohan, Reilly, Phelan, Meyers, Barry, Hanrahan, McAngell, Elmoreahan, and O'Pitman. This item was smuggled past Editor Kelly and Proofreader McEvoy. H. W. S.

H. W. Simkins, editor of the Palo Alto Times, in his editorial of January 15th refers to the meeting and banquet of the Santa Clara county Wilson club to be held at the Hotel Vendome, and at the same time takes the opportunity to indulge in one of his usual mental eructations as regards the names and nationality of some of the gentlemen who are members of the aforesaid organization, and then, by adopting the cuttlefish characteristics of his kind, weakly attempts to cover his slimy trail by referring to the name of his common-law companion as a mild apology for this uncalled-for exhibition of his latent racial and party prejudices. Not long since he published an article in defense of *Civis Americanis*. Now, please do not jump to the conclusion that I am about to draw any analogy or comparison as between H. H. Simkins and a skunk, but I propose to state here and now that while the aforementioned polecat may not be an unmixed evil in the community where he abounds, as much can not be said for this type of editor who rarely allows an opportunity to pass to sneeringly refer to the names and birthplaces of his fellow citizens, in this boasted progressive and liberal age, merely to satisfy his peculiar and unfailing brand of bigotry and racial hatred. The names that seem to arouse this nondescript were known and honored in the land of their birth ages before the cognomen now claimed by this narrow-minded editor was made up. And while on the subject of names, it is a well known fact that many of the Christian names in use were framed to fit the mental or physical characteristics of the party to be named. Accepting this theory, I am forced to believe that some of H. W. S.'s forebears were started out in life under the name of Simple.

AN IRISHMAN.

That State Highway Route.

To the Editor, Sir: On the 22d instant the State Highway Commission is to consider (probably finally) the routing of the State Highway between Beresford and Redwood.

So that information shall not lead well-intending citizens to throw their influence against a project they might wish to support if they thoroughly understood it, permit me to set right two very misleading reports.

One report is that the route favored by the Southern Pacific, the Pacific Gas and Electric Company and Mayor Merrill would put the State Highway immediately in front of Wellesley Park, but that route favored by the Belmont committee would not. The truth is that so far as Wellesley Park is concerned the two routes are precisely the same.

The route our committee is urging would carry the State Highway under the railroad tacks, north of Wellesley Park; and thus the Highway inside the City of Redwood would be exactly the same under the plan as under the plan urged by the Southern Pacific, the Pacific Gas and Electric Company, Mayor Merrill and others.

Wellesley Park is perfectly certain to have the State Highway along its entire frontage and on the which of the two pending plans is west side of the tracks, no matter chosen.

The other report is that if the plan of our committee is adopted there will be two dangerous grade-crossings—one at Beresford, another in Redwood; but that if the plan favored by the Southern Pacific, the Pacific Gas and Electric Company and the others is adopted there will be no grade-crossings between San Mateo and Palo Alto. The truth is the precise opposite.

The Southern Pacific plan calls for a wholly new four-mile stretch of road between Beresford and Redwood, west of the tracks. This would prevent grade crossing for through traffic; but it would not prevent grade-crossing for San Mateo county's traffic. On the contrary, all traffic coming into Redwood from points north would have to cross all Southern Pacific tracks at grade in order to get into our county seat, because the State Highway would be wholly on the west side of the Redwood depot, and no one could pass from that highway into the business streets of Redwood without crossing an increasing network of tracks in Redwood at grade.

On the other hand, our committee's plan, calling for continuing to use the present county road, would prevent grade-crossing for all through traffic as effectually as the other plan would do, because all such traffic would pass under the tracks at Beresford and could do the same just north of Redwood, and it would do what the Southern Pacific plan could not possibly do, that is to say, it would prevent grade-crossing for all our San Mateo county traffic into our county seat from points north of Redwood, because such traffic when it reached the underway near Redwood need not go into the underway used by through traffic, but could turn there directly into the town as at present, without going near the tracks at all.

It is astonishing to us, Mr. Editor, to find anyone thoughtful of the interests of Redwood or of the people of the county in general, standing for a route directly diverting travel from the business district of the county seat and multiplying danger to life and limb of our own people; but we suppose those who are so standing, or at any rate the most of them, do not really understand. The Southern Pacific does not, in this case, want to pay for underways, as it would have to pay if our committee's plan should carry.

EDWARD J. LIVERNASH,

Notice to the Public—I will not be responsible for any debts contracted by my wife, Mary Borges, or any other person, except such debts are authorized in writing by me.

The Presbyterian Church Association has purchased the Montara-Farallone church and Dr. J. J. Thomas has been assigned to the charge of the churches on the coast side. The association now has charge of church buildings at Salada, Montara-Farallone, Moss Beach and Granada.

MANY NEW FEATURES IN PRIMARY ELECTION LAWS

The new primary law under which the primary election will be held next August contains many interesting and radical departures from the old primary law, and in many respects the battle for supremacy will be practically finished at the primary elections, because in all school, judicial, township and county offices, the candidate who receives the majority of all the votes cast at the primary election for that office shall be the only name appearing on the ballot at the November election.

Of course it will be possible to place independent candidates in the field, but any candidate who tries to get the nomination at the primary election, and fails to do so, will bebarred from getting on the ballot as an independent candidate. In this respect, the law is the same as it was last election.

This idea of the candidates who receive the majority of all the votes cast at the primary election having the entire field to themselves in the November election (not considering the independent cadidates) will call out a large vote at the primary, as each candidate will realize that there is where the real fight is to be, instead of holding back till the November contest.

Many of our quiet, easy-going, placid citizens who never think of voting at the primary election, will not have any say in the final contest, but that is of small consequence, as the voter who is neglectful of his or her responsibilities at the primaries ought not to be considered seriously at the regular election.

There will probably be five distinct primaries in the field next August, namely: Republicans, Democrat, Progressive, Socialist and Prohibition. There will be a party ballot for each of these parties at the August primary, and in addition to this there will be one for the voters who have declined to tell their party preference when regestering. This ticket will be known as the Non-Partisan ticket.

The names of all candidates for school, judicial, township and county offices will appear on all the primary tickets, even on the Non-Partisan ticket; thus a Democrat will be able to help nominate a candidate of any other parties, if he so desires, and vice versa, and as there will be nothing to indicate to what party a candidate belongs when the aspires to a school, judicial, township or county office, it will resolve itself more to the question of personality than party.

For all state and national offices, the party line will be drawn at the primary, and no one will be permitted to vote for any candidate for those offices unless he shall have registered as affiliating with that particular party. Voters who fail or refuse to state their party affiliation when registering, cannot vote for candidates for state or national officers.

The percentage required to get on the ballot at the primary is very small, only from one-half of one per cent to two percent of the entire vote of the district or subdivision at the preceding election.

There is a big run of salmon up the San Francisquito creek to the head waters to spawn. Many have been caught but the stream is so swollen that it is very difficult to catch them. Ike Waltons are very much chagrined over the fact that they are compelled to purchase a fishermans' license. Heretofore a hunting license permitted the holder to fish as well as hunt. The new law is an unjust one and was passed in the interest of the game hog who has large preserves where they may fish and hunt at leisure and unmolested.

Frank Kirkpatrick has been appointed registrar for this place by the county clerk. As the old register was cancelled on the first of the year all voters desiring to vote at the elections this year will have to register. Mr. Kirkpatrick will have his office in the Menlo Park Hotel building. His appointment meets with general approval, a better one could not have been made. Thus far Mr. Kirkpatrick has registered five voters, four of whom are Republicans and the other one is a Democrat. All five are for Samuel M. Shortridge for seantor.

The Gentlemens' Sodality of the Church of the Nativity held an important meeting Tuesday evening at which Joseph Kelly was elected secretary to serve for the term. The other oficers were chosen at a previous meeting. A sumptous banquet followed the installation of officers. The after dinner speeches fairly sizzled with repartee and bright humor, the kind that makes one feel a thrill of joy and contentment. The sodality will receive communion in a body at 8 o'clock mass tomorrow morning. All are requested to be present.

GRAND JURY SUBMITS ITS FINAL REPORT

Offers Many Recommendations and Makes Some Severe Criticisms of County Business Methods

The San Mateo county grand Jury the first in the State of California to be composed partly of ladies and partly of men, completed its labors late yesterday afternoon and filed its report with the Superior Court. Judge Buck thanked the jurors and expressed the ceiling that the county was indebted to them for their faithful labors.

Expert L. Q. Havens presented comprehensive report in which he reported on the conditions existing in several offices and suggested changes and offered commendation for work well done. In his report Mr. Havens recommended that all officials whose offices are not located in the courthouse, should have their phone bills for rental only, O. K.ed, while all switches should be paid by the official, by means of a county claim. He also suggested that all personal long distance switches should bepaid by the senders.

The report also comments on the expense of maintaining the county farm and shows that the cost of keeping each inmate is practically as much as he could be boarded for at a good hotel.

The jury brought in an accusation against Auditor W. H. Underhill. That officer is accused of not keeping up his books, thus preventing the Grand Jury from making a proper and full report of the financial condition of the county.

The report raps the sheriff for excessive charges for automobiles, and charges him with keeping prisoners at the county jail longer than he should, thus receiving extra pay for meals.

Recorder H O Heiner is called to account for not making his monthly reports in time.

The board of supervisors is rebuked in the report for not having claims properly itemized.

The board is requested to pass an ordinance preventing minors from entering pool rooms.

The report recommends that the salary of the county officers be fixed as follows: Sheriff $4000, Clerk $3000, Auditor $2500, Treasurer $2,500, Assessor $4000, Superintendent of Schools $2500, District Attorney $3000, Tax Collector $3000, Recorder $3000

The jury recommends that a jail be erected at once in the vicinity of the courthouse. The report also charges that there are two women at the poor farm that should be in some other institution.

The laundry and telephone bills are considered excessive by the Grand Jury.

Judge Buck in discharging the jury last evening took occasion to compliment the women mebers of the jury and Clerk Nash for his efficiency The judge did not agree with the report of the jury, in its recommendation for the salaries of county officers. The court thought they should be equalized.

The report as a whole is very good.

Special Program at the Bell

Last night's program at the Bell theatre was an unusually attractive one, five reels being shown, one of which was a splendid Keystone comedy. This program will be repeated for this evening. Sunday's program will also show five full reels, including a Keystone comedy act featuring the ever popular Bunny and Flora Finch. These will be shown at the usual popular 5 and 10 cents. The programs for Monday and Tuesday evenings will be an extra special, when each show will consist of seven full reels, the feature of which will be an exclusive Selig production of three reels entitled "In the Midst of the Jungle," one of the strongest of the ever popular wild animal features for which the Selig producers are noted. On these two nights, owing to the unusually long program shown, the first show will begin promptly at 7 o'clock. To partially cover the added expenses of these extra productions the price of admission will be 10 and 15 cents.

New Probate Applications.

Eliza C. Herbert has applied in the Superior Court for letters of administation upon the estate of Raymond Comerford, who died on December 31, 1913. The estate consists of three separate parcels of property in the San Pedro Valley, near Colma. The deceased owned a one-sixteenth interest in 35 acres at that place valued at $538, the same interest in 14 acres valued at $218, and the same interest in 75 acres worth $1234. The value of the entire estate does not exceed the sum of $5000. The heir at law is Eliza C. Herbert, mother and petitioner.

Actions Transferred

The civil suit of Lititia Gregg against Marie S. Miller and Elmer M. Miller has been transferred from the Supeior Court of Nevada county to the Superior Court of this county fortrial. According to the complaint plaintiff exchanged lot 34, block 19, Crocker Tract and improvements and an insurance policy for a quarter section of land in Nevada county. Plaintiff has discovered that defendants have no title to the property and now ask that the deeds so exchanged be declared null and void. The title to the property in Nevada county is vested in John Caldwell, Superior Judge of that county, and the State of California.

The damage suit of Rosina H. Treadwell against Dr. N. D. Morrison of San Mateo has been transferred from the Superior Court of San Fancisco to the Superior Court of this county for trial. The complaint was filed in San Francisco on September 25, 1913 and the case was transferred to this county last Monday. The complaint alleges that on September 28, 1912 the palintiff fractured the bone of her right arm and called Dr. Morrison to set the injured limb, that the work was done so negligently and carelessly that the bones were not placed in juxtaposition and therefore did not knit or heal. Some time after the bone was again set by the doctor. The bone became diseased and decayed. Plaintiff lost the entire use of her arm. She asks for damages in the sum of $50,000. Plaintif also asks for further money in the sum of $1350 expended for surgery, medicines, etc and for $165 for wages which she would have earned had she the use of her arm, making a total of $51,505.50. Ross & Ross are the attorneys for the defendant who is a prominent physian and surgeon of San Mateo.

New Actions in Superior Court.

Richard V. Cousins and Arthur H Cousins have commenced foreclosure proceedings in the Superior Court against the Edgemar Realty Syndicate to recover the sum of $600. The promissory note secured by the mortgage was executed in San Francisco in 1909. The property on which the mortgage is to be foreclosed consists of lots 10 and 31, block B, lot 21, block E, lot 5 block F, Edgemar subdivision, near Halfmoon Bay.

Kenneth M. Green has brought suit in the Superior Court against the South San Francisco Railroad and Power Company to recover damages in the sum of $25,000 for injuries sustained on January 14, 1913 through the carelessness and negligence of the company. The complaint alleges that plaintiff on the night of January 14th, 1913, was about to board a Southern Pacific train at South San Francisco when he tripped on protruding rail on the tracks of the company and was stunned by the fall. His arm projected across the track of the Southern Pacific Co. and when a train approached it ran over the limb and it had to be amputated. The defendant was negligent in that it did not keep its rack flush with the street as required by law. Mr. Green was an inmate of the Red Cross Hospital at San Mateo for a period of two months. Plaintiff also asks for the sum of $4270 expended for medicine, operations, etc., and for the further sum of $2500, this representing the sum he would have earned as an attorney, had he not been injured. He was unable to practice his profession for nearly a year. The total sum asked for is $31,770. Green, Humphreys & Green are the attorneys for plaintiff.

Giuseppe Cavallero has brought suit in the Superior Court against the Southern Pacific Railroad Company to recover damages in the sum of $5000 for injuries received through the carelessness of the company. The complaint alleges that on January 13, 1913 the plaintiff was riding in a vehicle on the San Bruno road near South San Francisco and the gates on the railroad crossing at this point were kept open when a train was approaching. Plaintiff was struck and thrown to the ground. His rig was demolished and he suffered a fracture of the ankle of the right leg and was confined to his home for several weeks. Besides the $5000 he asks for the sum of $150 which was paid for medical aid and medicine and also for the further sum of $30 for wages he would have earned had he not met with the mishap. John D. Willard and J. W. Coleberd are the attorneys for the plaintiff.

William Herbert has brought sui in the Superior Cout against J. H. Mansfield to secure possession of a Croxton automobile secured by defendant under attachment. Plaintiff asks for possession of the machine or its equivalent, to-wit, $1000 and also $10 a day for every day the auto is held by the plaintiff after the filing of the suit. The suit is a friendly one to determine the ownership of the car.

PROMINENT YOUNG COUPLE ARE QUIETLY MARRIED

Miss Caroline M. Doxsee, the young and pretty daughter of Mr. and Mrs. C. M. Doxsee of this city, and Clifton H. Woodhams were quietly married in the parsonage of the Congregational church last Saturday evening. The ceremony was perfomed by Rev. M. B. Young of the Methodist Episcopal church. Only immediate relatives attended the wedding. Mr. Woodhams is the oldest son of Mr. and Mrs. C. H. Woodhams, proprietor of the Redwood City Furniture Company. He holds a clerical position in the State Controller's office at Sacramento, He was appointed to the place by his uncle, the late A. B. Nye. Mr. Woodhams has provided a cosy home in the Capital city for his bride. The young couple had taken no one into their confidence, so that the affair was a great surprise to their many friends, although the romance had begun during their high school days and extended over several years. Both are graduates of the Sequoia high school, Mr. Woodhams also spent two years at Stanford. Mr. Woodhams and his bride were prominent Christian Endeavorers and will be greatly missed socially and in their church work. Their numerous friends in this city wish the young couple a happy and prosperous married career.

According to figures given out yesterday by Superintendent of Schools Roy W. Cloud, 149 of the 160 instructors of the county have registered as eligible for teachers' pension funds. Mr. Cloud has notified all banks of the county to deduct on dollar monthly dues to the State, from all salary warrants presented to them for payment.

Kenneth M. Green, district deputy for San Mateo county, installed the officers of Redwood Parlor, N. S. G. W. Thursdayev ening. About one hundred members were present besides a large number of visitors from neighboring towns. After the ceremony a banquet was served in the banquet room of the Foresters' hall. The evening was a most enjoyable one.

On the 13th instant the Fraternal Aid Association met and went through the work of initiation. John J. Read, installing officer, installed the following oficers. President Mary E. Read, vice president, Pearl George, chaplain, Ulrica Sahlberg, guide Mary Winter, assistant guid Lillian Nystrom, observer E. C. Thomas Spellman of Colma, whose wife is now serving on the Grand Jury, ran into a nine-year-old boy in San Fracisco Thursday afternoon and though the little fellow was hit only in the leg he died from the shock and fright. Mr. Spellman was driving at a slow speed when the boy darted out from behind a corner and was right on the machine before he or the driver were aware of the danger. Mr. Spellman immediately took the little fellow to a hospital but medical aid was of no avail.

The Home Industry League of California is doing a great work, teaching the public just what our own state produces, and the proper way of preparing it for the table. Housewives will be given the opportunity of learning some new receipts if they will only take advantage of the three days allotted to Redwood City by the Home Industry League. Mrs. E. J. Evans, one of their demonstrators will be at the Woman's clubhouse, January 20, 21, 22, Tuesday, Wednesday and Thursday from 2:30 to 5 p. m., to talk and cook, home products. Tell all your frieds of this good treat and bring them with you.

Up until last evening 124 voters registered in the county clerk's office. Of this number, 85 registered as Republicans, 25 Democrats, 11 progressive, 1 socialist and 2 declined to state their politics. The old line Republicans in the county are rapidly coming back to the fold and if the present rate of registration keeps on the old party will have twice as many voters as all other parties in the county combined at the November election. The returns to the county clerk's office to date are very light, but as the electors in the incorporated towns in the county must register by March 13th, if they want to vote at the municipal election in spring, the heavy registration will come next month.

FOR STOMACH TROUBLE

John W. Skillen of Sidney, Ohio, Has Found a Remedy.

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John W. Skillen of Sidney, Ohio, says: "I had a bad stomach trouble for years, and became so weak that I could hardly walk or do any work. My appetite was poor, and it seemed impossible to get any relief. Since taking 'Vinol' I find a remarkable improvement in my health, my digestion is much stronger, and I have gained in weight. I would not be without Vinol."

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs, and is delicious to the taste.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

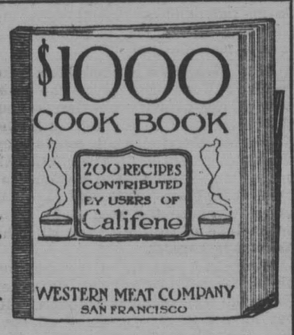
While with the Taber company he invented and improved various processes that have been in great demand and invented he Iridian process, which has been successfully used for many years. Undoubtedly, no other one photographer in the world has taken such a wide variety of scenic views, or of people. All parts of the world have yielded their attractions to his camera and almost all the famous men and women of the times have sat for him. He has autographic photographs of great men and women from all parts of the world and in every profession and walk of life—Examiner.

$1000 COOK BOOK



In California, where there is such a wonderful variety of fresh vegetables, fruits, fish, game and meats, cooking long ago became a fine art.

The home-keepers in California are famous everywhere for their cooking.

To encourage the cultivation of domestic science and the further development of the art of cooking, we offer you five dollars for a recipe.

Ask your grocer.

CALIFENE shortens the food and the grocery bill. CALIFENE means economy—reduces the cost of living.

CALIFENE makes pastry crisp—acts just like good butter—only it costs far less.

Use CALIFENE in your cooking instead of fresh butter and save money. There is a great point in that.

CALIFENE is made in San Francisco, in a sanitary plant, government inspected, shipped immediately, and is fresh when it reaches you.
